Dear Sir/Madam,

CALL FOR RESEARCH PROPOSAL

Warmest greetings from SEAMEO SEN, Malaysia.

2. We are pleased to inform that SEAMEO SEN, Malaysia is calling for research proposals under its Research and Innovation Division activities. The proposed research topic is **“Learning Poverty Among Learners with Disabilities in Southeast Asia”**.

3. SEAMEO SEN expects that the output of the research will provide baseline evidence of learning poverty among Learners with Disabilities (LWD) which will deliver a better understanding to the center in strategizing and planning its activities and programmes.

4. Additional guide and research application forms are attached for your further reference:

4.1 Appendix A: Call for Research Proposal

4.2 Appendix B: Research Application Form

5. In achieving the objectives of the research, SEAMEO SEN is inviting all interested applicants to submit their research proposal via <https://link.seameosen.org/callforresearchproposal> before or on **22nd May 2022**.
